Although the students here at Prince George are divided in many respects, there is one activity where they find a meeting of minds - athletics - whether through direct participation or watching from the side lines.

A man wise in the ways of athletic achievement came to us, looked the situation over, saw a challenge and accepted it. The reputing of this man's coaching ability has helped in leading our teams to victory. In the short time he has been here he has brought recognition to our school.

In his teaching as well as coaching, he has shown his ability to get the idea across to his students. This fact alone has made him one of the best liked teachers at Prince George.

To his part in giving the students of Prince George High School, something to remember upon reaching alumni status the Peerage Staff dedicates the 1958 "Peerage" to Mr. Seaton Smith.

S.C.A.

In 1953 the students of Prince George School were organized as the Prince George Student Cooperative Association. A constitution which controls the activities of the students was adopted and the local group affiliated with the state SCA and the National Association of Student Councils. The purpose of the PGSCA is to encourage better citizenship and higher scholarship and to help maintain a wholesome school environment for all students. Each student in Prince George School is a member of the SCA; the SCA elects its representatives to serve on the Student Council, which acts for the student body.

The Prince George Royals, under the direction of coaches Charles Tucker and Tommy George, opened its 1957 season on September 13 with a 27-0 victory over Whaleyville. A week later the Royals defeated a tough Deep Creek team 21-13.

With two victories behind them the Royals took on Group I Petersburg. School and team spirit was at its peak and the Royals defeated the Wave 13-12.

The following week Smithfield invaded Prince George only to be defeated 33-0. On October 11 Franklin fell to the Royals 19-0. The week following the Royals, with a 5-0 record took on Southampton at Prince George. The game ended just as it started 0-0.

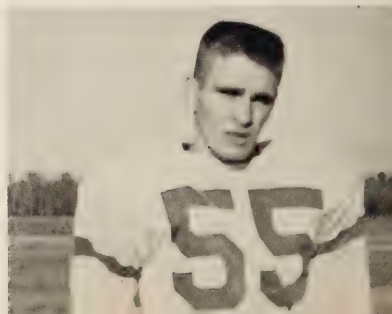

The next week a storm at York caused the game to be postponed until November 22. Finally, the Royals got back into action against Virginia Beach, winning 7-0.

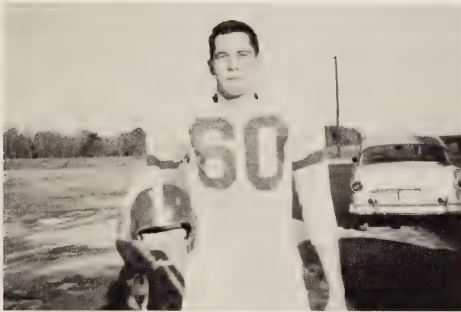

On November 15 the Royals broke a jinx and defeated James Blair for the first time 9-7.

The Royals had their District title hopes crushed by York as they lost for the first time 21-0, and ended the season with 7-1-1 record.

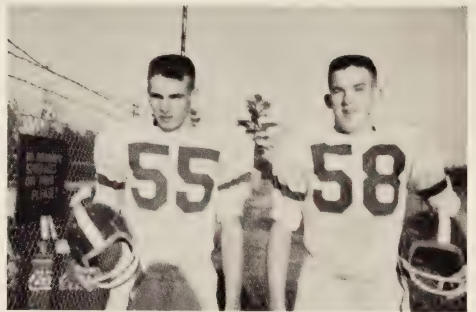

The Royals are looking forward to next season with hopes of bettering the record and winning the District title.

Three Royals were honored by being named to the All-district team. Ronnie Hutcheson was named All-district Quarterback and Fullback J. C. Cameron and End Jim McCarron were given Honorable Mention.

First row: Frank Williams, Kenneth Deadmon, Ronnie Hutcheson, Mac McCarron. Second row: Derold Howe, Manfred Edwards, Willie Hall, Leonard Nunnally, Dick White. Third row: Coach Smith, Henry Harrison, Don Barkus, Edward Poole, Bob Eagle.

The Prince George High School 1957-1958 Basketball Team under the able direction of Coach Seaton Smith started the season with 7 returning lettermen and high hopes of improving the 12-9 record of the past year.

They embarked on their 19 game schedule on December 6, against St. Joseph's. Eleven weeks later they ended the season against Chuckatuck. In these eleven weeks they compiled the best record ever attained by any Prince George team. They had a 5-1 Regional record which gave them first place in their Region and a 14-5 season record.

The first place in the Region put them in the District I Group II tournament at Warwick. In the tournament the Royals, after beating York and losing to Virginia Beach, beat Franklin for third place in the District and received the first trophy ever awarded to a Prince George boys' team.

With only one senior on the squad the Royals are looking forward to improving the 16-6 overall record and winning the District I Championship in 1959.
